ACO providers/suppliers who are eligible professionals, must submit all of the ACO GPRO measures determined under §425.500 using a CMS web interface, to satisfactorily report on behalf of their eligible professionals for purposes of the Physician Quality Reporting System payment adjustment under the Shared Savings Program for 2016 and subsequent years.

- (2) ACO providers/suppliers that are eligible professionals within an ACO may only participate under their ACO participant TIN as a group practice under the Physician Quality Reporting System Group Practice Reporting Option of the Shared Savings Program for purposes of the Physician Quality Reporting System payment adjustment under the Shared Savings Program for 2016 and subsequent years.
- (3) If an ACO, on behalf of its ACO providers/suppliers who are eligible professionals, does not satisfactorily report for purposes of the Physician Quality Reporting System payment adjustment for 2016 and subsequent years, each ACO provider/supplier who is an eligible professional, will receive a payment adjustment, as described in § 414.90(e) of this chapter.
- (4) For eligible professionals subject to the Physician Quality Reporting System payment adjustment under the Medicare Shared Savings Program for 2016 and subsequent years, the Medicare Part B Physician Fee Schedule amount for covered professional services furnished during the program year is equal to the applicable percent of the Medicare Part B Physician Fee Schedule amount that would otherwise apply to such services under section 1848 of the Act, as described in §414.90(e) of this chapter.
- (d) The reporting period for a year is the calendar year from January 1 through December 31 that occurs 2 years prior to the program year in which the payment adjustment is applied.

§ 425.506 Electronic health records technology.

- (a) ACOs, ACO participants, and ACO providers/suppliers are encouraged to develop a robust EHR infrastructure.
- (b) As part of the quality performance score, the quality measure regarding EHR adoption will be measured based on a sliding scale.
- (c) Performance on this measure will be weighted twice that of any other measure for scoring purposes and for determining compliance with quality performance requirements for domains.

Subpart G—Shared Savings and Losses

§ 425.600 Selection of risk model.

- (a) For its initial agreement period, an ACO may elect to operate under one of the following tracks:
- (1) Track 1. Under Track 1, the ACO operates under the one-sided model (as described under §425.604 of this part) for the agreement period.
- (2) Track 2. Under Track 2, the ACO operates under the two-sided model (as described under §425.606), sharing both savings and losses with the Medicare program for the agreement period.
- (b) For subsequent agreement periods, an ACO may not operate under the one-sided model.
- (c) An ACO experiencing a net loss during the initial agreement period may reapply to participate under the conditions in §425.202(a), except the ACO must also identify in its application the cause(s) for the net loss and specify what safeguards are in place to enable the ACO to potentially achieve savings in its next agreement period.

§ 425.602 Establishing the benchmark.

(a) Computing per capita Medicare Part A and Part B benchmark expenditures. In computing an ACO's fixed historical benchmark that is adjusted for historical growth and beneficiary characteristics, including health status, CMS determines the per capita Parts A and B fee-for-service expenditures for beneficiaries that would have been assigned to the ACO in any of the 3 most recent years prior to the agreement period
